

Sherrill Swim Team 2017

The Sherrill "Silver Fins" will start another season of swim team June 26! Practice will take place Monday-Friday, 3-4pm in the lane pool. Swimmers who are encouraged to attend as many practices as possible. Swimmers who are unable to attend a meet or practice must inform their coach.

There will be 8 swim meets and they usually take place on Tuesdays and Thursdays. On the days of an away meet the team will meet on the top of the hill next to the elementary school. The coach will announce meeting times. For home meets the team will meet at 5:30pm. A swim meet schedule will be handed out when it's available.

There is a fee of \$10 per swimmer or a \$30 for families with three or more swimmers in them. This fee covers the cost of some materials, practice, and an end of season celebration. If swimmers are also coming to the pool for lessons or open swimming they must pay the pool admission fee or use their pool pass.
