The City of Sherrill is celebrating its 100th anniversary this year and has a big weekend of celebrations planned on July 29th and July 30th. The attached information outlines some of the events we have planned including a golf tournament, festival, family fun activities, parade, 5K race, concerts, fireworks and more. There are also additional details on the city website, www.sherrillny.org.

We have been organizing this celebration for more than a year already. A number of companies are lending financial or volunteer sponsorship to the events and/or participating in the centennial parade or other events and we'd like to offer all local businesses the opportunity to become involved.

We would be happy to see great local business participation in this event; whether it is financial, through volunteerism at the various events we have planned or through actual participation in the parade or other events. If you choose to offer financial sponsorship or volunteerism, your company will be showcased during the event on banners the city will display at the various events. You can also suggest your company logo for the advertisement we use. The details of all the events needing sponsorship are noted on the following brochure.

We appreciate you for considering our proposal of sponsorship and participation and we hope you'll join in the fun for this once in a lifetime celebration! Please respond by returning the sponsorship/participation form by May 13th. Please do not hesitate to call for more information.

Sincerely,

Sara Getman
